Dear Hiring Sir/Madam,

RE: APPLICATION FOR CUSTOMER SERVICE POSITION

I am writing to express my keen interest in an opportunity of being part of the customer service team in your company. As an aspiring software developer and former Power Learn Project team member, I can say my customer service skills are top notch and can be of impact to your company.

I am particularly drawn to your organization because of its reputation for empowering small businesses and upcoming startups. I am confident that a job with your team would not only allow me to apply my skills in customer relations, but also expose me to next-level professional mentor-ship.

I am a fast learner, highly adaptable, and eager to contribute to any task in the best interest of my company. I am available for the job any time soon and would be grateful for the opportunity to discuss how I can be of value to your team.

Please find my CV attached for your consideration. I would appreciate the opportunity to be a part of your team. Thank you for considering my application.

Yours sincerely,
James Mutanyi.
